#### Legal advisory:

None of the published data constitutes investment counsel or a recommendation of any kind. It is merely a summary of key characteristics of the fund and therefore should not be construed as being an invitation or an offer to purchase units.

This factsheet should be read in conjunction with the prospectus, the trust agreement, and the Key Investor Information Document ("KIID"). The purchase of units of the UCITS is governed by the prospectus, the trust agreement, and the KIID as well as the last annual report and, if already published, the subsequent semi-annual report. Only the information contained in the prospectus and particularly in the trust agreement including Annex A shall be valid. The prospectus, the KIID, the trust agreement and Annex A (The UCITS or compartments at a glance) as well as the latest annual and semi-annual reports if already published, are available free of charge on a durable data medium from the management company, the depositary, the paying agents, and all domestic and foreign distributors as well as on the website of the LAFV Liechtenstein Investment Fund Association at www.lafvli . If so requested by the investor, the above documents can also be provided on paper free of charge. Further information about the fund is available online at www.ifm.li and from IFM Independent Fund Management AG, Austrasse 9, FL-9490 Vaduz, during business hours.

The historic performance of a unit is no guarantee of similar current and future performance. The value of a unit may rise or fall at any time. No guarantee can be given that the envisaged investment objective of the fund can be attained.

The value trend shown in this factsheet does not take into account the commissions and fees payable at issue and redemption. Individual costs such as charges, commissions, and other remuneration are not taken into consideration and would have a negative effect on the value trend if considered. No liability can be assumed for errors and omissions contained in this factsheet.

Potential investors should inform themselves about possible fiscal consequences, legal prerequisites and possible foreign exchange restrictions or control mechanisms that apply in their country of citizenship, residence, or current domicile and that might be relevant as regards buying, holding, exchanging, redeeming, or selling units. Further fiscal implications are described in the prospectus.

The fund units may be offered for sale or sold only in jurisdictions where such offers or sales are permissible. In particular, in the United States of America (USA), the units were not registered pursuant to the United States Securities Act of 1933 and can therefore be neither offered nor sold in the USA and neither offered nor sold to US citizens.

This document and the information it contains may not be distributed in the USA. The distribution and publication of this document as well as the offer or a sale of units may be subject to restrictions in other invitable as well.

 $The \ published \ information \ constitutes \ neither \ an \ invitation \ nor \ an \ offer \ nor \ a \ recommendation \ to \ purchase \ units \ of \ the \ fund.$
